The Office of Regulatory Staff, by filing this petition, would respectfully show and request of the Commission:

1. That the Public Service Commission of South Carolina (“the Commission”) is a state agency constituted pursuant to the laws of the State of South Carolina with its business offices located in Columbia, South Carolina; that the Commission is responsible for the regulation of motor vehicle carriers operating for compensation as set forth in S.C. Code Ann. §58-23-10 et seq. (Supp. 2007); that the Office of Regulatory Staff (“ORS”) is charged with the duty to protect the public interest pursuant to S.C. Code Ann. §58-4-10, et seq. as enacted by 2004 S.C. Acts 175.

2. That the companies listed in Exhibit A are currently operating as “motor vehicle carriers” as defined in S.C. Code Ann. §58-23-10(4) in that they are incorporated for the purpose of owning, controlling, operating or managing motor propelled vehicles, not usually operated on or over rails, used in the business of transporting persons or property for compensation over improved public highways in this state.

3. That the companies listed in Exhibit A are subject to the jurisdiction of this Commission pursuant to S.C. Code Ann. §58-23-1010 et seq. (Supp. 2007); further, that these companies have submitted themselves to the jurisdiction of the Commission by holding a Certificate of Public Convenience and Necessity as indicated in Exhibit A. See Exhibit A.

4. That the Companies listed in Exhibit A, upon receiving their Certificates of Public Convenience and Necessity, were found to be fit, willing and able to operate as a motor carrier by the Commission; that such authority found the companies were “familiar with all statutes and regulations, including safety regulations, governing for-hire motor carrier operations in South Carolina” and that they “agree to operate in compliance with these statutes and regulations” 26 S.C. Code Regs. 103-133.4.a (Supp. 2007).

5. That, “A holder of a certificate A, B, or C with less than twenty vehicles must semi-annually **on or before January first and July first of each year** pay to the Commission the following fees: For vehicles weighing not more than two thousand pounds, seven dollars and fifty cents; and for vehicles weighing in excess of two thousand pounds, seven dollars and fifty cents for the first two thousand pounds and two dollars and fifty cents additional for each additional five hundred pounds or part thereof of weight, except that the total license fee may not exceed fifty dollars per vehicle semi-annually.” S.C. Code Ann. §58-23-560 (Supp. 2007) (emphasis added).

6. That, pursuant to S.C. Code Ann. §58-4-10 et seq. (Supp. 2007), beginning January 1, 2005, the Office of Regulatory Staff must represent the public interest of South Carolina before the Commission and has authority to enforce collection of such fees.

7. That the companies listed in Exhibit A failed to pay fees that were due on or before January 1, 2008 and are therefore currently not in compliance with Commission statutes governing the regulation of motor carriers.

8. That “the Commission may at any time, after notice and opportunity to be heard, suspend, revoke, alter, or amend any certificate, if it shall be made to appear that the holder has

willfully violated or refused to observe orders, rules, or regulations prescribed by the Commission, provisions of the Motor Vehicle Carrier Law, or any other law of this State regulating motor carriers for hire and applicable to the holder of such certificate, or, if, in the opinion of the Commission, the motor carrier holding a Certificate of PC&N is not furnishing adequate service or it is no longer compatible with the public interest to continue said certificate in force, or, if in the opinion of the Commission, the motor carrier holding a Certificate of FWA is no longer furnishing adequate service, or said carrier no longer meets the fit, willing, and able criteria..." 26 S.C. Code Regs. 103-240 (Supp. 2007).

9. That "the Commission may, after a hearing, order the suspension, revocation, alteration, or amendment of any certificate issued pursuant to Articles 1 through 11 of this chapter, if it is proved that the holder of the certificate willfully made any misrepresentation of a material fact in obtaining his certificate or willfully violated or refused to observe the laws of this State touching motor vehicle carriers or willfully violated any of the terms of his certificate or of the Commission's proper orders, rules or regulations. But the holder of the certificate has the right of appeal to any court of competent jurisdiction. The Commission must not be a party to any appeal." S.C. Code Ann. §58-23-320 (Supp. 2007).

WHEREFORE, the ORS staff prays that the Honorable Commission:

1. Issue an order requiring the carriers listed on Exhibit A to appear before the Commission, and show cause why any order should not be issued from this Commission revoking the Certificates of Public Convenience and Necessity previously issued to said carriers;

2. Provide for the opportunity by the carrier to respond to the allegations of this Petition within thirty (30) days from the date of the receipt of the Order;

3. Schedule and conduct a formal administrative hearing within 45 days to address disputed issues of fact and law regarding the Certificate pursuant to 26 S.C. Code Regs. 103-240 (Supp. 2007) and S.C. Code Ann. §58-23-320.

4. Pursuant to S.C. Code Ann. §58-23-560 (Supp. 2007), take judicial notice of the Commission's records in that the required semi-annual fees have not been filed for the companies listed in Exhibit A.

5. Enter a final order revoking the Certificates of Public Convenience and Necessity held by those carriers failing to pay the required fees; and

6. For other appropriate action which the Commission may deem necessary.
